Trees should be brought to the Church on Friday 24th November between 10am and 5pm (the earlier the better!) You can bring your tree ready decorated or decorate it in the Church.

Christmas tree lights are most welcome but not musical lights. Please do not bring your own extension leads - suitably tested extensions will be provided where appropriate. Battery operated lights are also acceptable and will be particularly useful on smaller trees.

The only limit on the decorations is your imagination!

You may place promotional materials relevant to your company/group next to your tree Please provide a card or Perspex holder for leaflets/business cards where possible as this looks neater and makes them more accessible and appealing. Please do not bring lots of additional signage.

For security reasons it will not be possible to place collection boxes beside trees. Any tree deemed unsafe by the organisers will be removed as will any decorations thought possible to cause offence.

After the festival, you will need to come and collect your tree. Please don't forget to tick your preferred collection date on the booking form.
