Weddings

Getting married at Chislehurst Methodist Church...

Useful info:

- Capacity for 200+ guests
- Variety of religious ceremony types
- Blessings offered
- Reception hall
- Beautiful photo opportunities

Chislehurst Methodist Church is beautifully situated, across the road from Chislehurst Common and surrounded by trees. This 19th century church has been refurbished and whilst retaining its character offers comfortable chairs, under floor heating and modern audio visual facilities.

The church can accommodate over 200 guests. Although primarily for the weddings of those who worship here, we are keen that our wonderful worship space may be used for the benefit of all.

If you do not wish to have a Methodist wedding service, but perhaps one in a form offered by your own church, we are able to arrange for one of our Authorised Persons to be present to register the wedding.

If you wish to have a civic wedding elsewhere and then a service of blessing here, again we can assist.

If you are one of the growing band of people contemplating an alcohol-free reception, our hall is connected to the church by our enclosed Courtyard, and catering is easy in our modern kitchen. The hall can accommodate 100 guests for a "sit down" meal or buffet.

WHAT NEXT? Get in touch with the church office to start making plans!
